

Alzheimer's Caregiver Support Group

*FREE Information and Resources at Weinberg Campus
Coordinated through the Alzheimer's Association of WNY*

Weinberg Campus, a senior living organization providing a wide range of services, is pleased to offer a FREE Alzheimer's Support Group for family members and caregivers. The support group meetings provide support and useful information. It is also an opportunity to meet other caregivers who are coping with their loved one having dementia or Alzheimer's. Guest speakers are periodically scheduled throughout the year. Spouses, adult children and grandchildren of an elderly parent or grand parent, and friends are encouraged to attend.

GROUP MEETINGS

Every third Thursday of the month
