

The Meadows and Forest Creek Apartments

Independent and Flexible Community Living

Our apartments are carefully designed to support independence with hand rails in common areas and charming sitting areas for socialization. An emergency response system provides peace of mind for residents and their family members. A personalized Individual Care Program may be set up and adjusted as needs change.

Some tenants keep a car on campus and continue to drive, but most spend their time on campus involved in activities, volunteering, or socializing.

*“It’s a community...
there’s something
for everybody here.”*

*Harold, a resident of
The Meadows Apartments
on Weinberg Campus*
