

March 13, 2020

Dear Family Member or Responsible Party:

Late yesterday we received guidelines issued by the New York State Department of Health (NYSDOH) to temporarily restrict visitors in light of the spread of COVID-19 respiratory illness in certain areas of New York State and across the nation.

These new guidelines indicate that **no visitors** are permitted in facilities like Weinberg Campus. **These guidelines are designed to protect our residents from the virus.** Weinberg Campus instituted these guidelines immediately.

Guidelines for visitors continue to emerge from local, state, and national health agencies. We sincerely apologize for any inconvenience this may cause and will keep you updated of changes. For the latest updates please refer to our website www.WeinbergCampus.org or Facebook page www.facebook.com/WeinbergCampus.

Please know that the health and wellbeing of those entrusted to our care will always be our top priority.

We are thankful and appreciative of your support as we work together to help prevent the spread of COVID-19 and other illnesses within our campus community.

Sincerely,

Bob Mayer
President & CEO
