

Welcome

Rosa Coplon Living Center Visitor Fact Sheet

Below is important information about your visit to Weinberg Campus, including rules from the Department of Health that we must follow together. Thank you for your help and support to keep you, your loved one, and our employees healthy. Enjoy your visit!

- Visiting hours are Monday - Friday, 11:00 a.m. – 7:00 p.m. Weekend visitation is available Saturday and Sunday from 10 a.m. – 5 p.m. and does not require an appointment.
- Visits can take place in resident's room or outside on facility grounds; visits cannot be conducted in common spaces.
- You **are not required** to present a negative COVID-19 test for visitation. However, should you want to have a rapid COVID-19 test done on-site prior to your visit, you can schedule the test by calling 716-639-3311 ext. 2210. Prior to your test, you will need to complete the COVID-19 testing form.
- If your loved one is currently on a 14-day quarantine, they are not eligible for in-person visitation. However, virtual visits are still available.
- All visitors will be screened for COVID-19. This will include a temperature check and questions about potential exposure to the virus and recent travel. If you have signs or symptoms of COVID-19 and/or have had close contact with someone with COVID-19 infection in the prior 14 days (regardless of your vaccination status), you will not be allowed to have your in-person visit.
- Sanitize your hands when you arrive and throughout your visit.
- Wear a face mask covering your nose and mouth at all times when visiting indoors and outdoors and traveling to and from resident rooms.
 - If **both the resident and their visitor(s) are fully vaccinated**, and the resident and visitor(s) are alone in the resident room or designated visitation room or outside on facility grounds and socially distanced from others; **the resident and visitor may choose to have close contact (such as a hug) without a mask or face covering.**
 - **If the resident is fully vaccinated**, they can choose to **have close contact (such as a hug)** with an **unvaccinated visitor** while **both are wearing a well-fitting face mask** and performing hand hygiene before and after.
- Regardless of vaccination status, individuals must maintain social distancing of at least 6 feet from others during indoor and outdoor visitation and when traveling to and from a resident's room.
- **You are only allowed to travel to and from your loved one's room. You are not allowed to travel anywhere else within the unit or the facility at any time.**
- **For residents living in a semi-private room, visitors are not allowed to enter the living space of the roommate or the shared bathroom.**
- Up to two individuals will be permitted to visit a resident at any one time.
- Visitors lucky enough to be under age 16 must be accompanied by someone 18 or older.
