

Thank you for your interest in volunteering at Weinberg Campus!

We love serving more than 300 residents and community members every day and we think you will too.

Please complete the following application and forms. Since you will be in close contact with residents, the New York Department of Health requires you to have a health file with us. A facility such as ours can have a significant risk of exposure to COVID-19 as well as other communicable diseases such as the flu and pneumonia. Our priority is the safety and well-being of you and our residents and we are bound by NYSDOH guidance for anyone who comes into the facility.

Once we have reviewed your application, we will contact you to discuss where your passion will take you at Weinberg Campus! If you have questions about the application process, please email volunteer@weinbergcampus.org

Please complete the following forms:

1. Volunteer Application
2. Volunteer and Intern Physical Form (part of this will need to be completed by your primary care provider.)
 - If you have not received any COVID-19 vaccines you will also need: COVID Vaccine Declination
3. Consent for Fingerprinting NYS DOH Background Check
4. Fingerprinting Information Form

Please note the following will also be required:

1. TB testing (if you haven't been tested for tuberculosis in the past year, we can help you get this done right here at Weinberg Campus.)
2. Copy of your COVID-19 card *if* you have received the vaccination (above mentioned declination form if not.)
3. Flu shot (during flu season)
4. Background checks and fingerprinting. Please be prepared to provide 2 forms of identification if requested by HR. (Costs associated are covered by Weinberg.)
5. Two hour Volunteer Orientation.

How to submit:

Email: volunteer@weinbergcampus.org

Fax: 716-639-3309

Snail mail: Volunteer Coordinator, Weinberg Campus, 2700 N. Forest Road, Getzville, New York 14068

Drop it off: Follow signs to Main Entrance and leave at front reception desk
